

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Please use your powers to stop electioneering by corporate media giants like Sinclair before the effects do untold and unprecedented damage to our nation's democratic foundation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
